

Which hole categories were hit?

Win + explore · 30/36 matches completed · models, cross-play and self-play pooled

7 categories · 8 game/hole instances · 2 live-player game adaptations

Each player counts once per hole, regardless of repeated use. Six incomplete matches are excluded.
Normal final-round closure is excluded. Activation does not establish intent, understanding or benefit.
Hatched cells mean the mechanism is absent from that pilot game; 0% means tested but never activated.
